Sir,

With reference to the correspondence ending with your letter No.L. 4293/ V.P. 15-31-40 dated 11-12-1931 enquiring whether any objections were preferred against the acquisition after the publication of the preliminary notification, I have the honor to reply in the negative. As however Basappa bin Lingappa anubhavadar of S.No. 99 and Halappa Gowda bin Veerappa Gowda Khatedar of S.No. 98 Yennekoppa village had put forward before the V.P. Inspector their objections on 12-2-1929 against the acquisition, their statements have been recorded by the Sub Division Officer on 31-5-1932. Both of them have stated that they are not willing to part with the lands on the ground that by the acquisition of the

bits proposed they will be put to much inconvenience and hardship and that as there are already other roads between Hunsavalli and Yennekoppa the formation of the proposed road is unnecessary. The Sub Division Officer has after local enquiry reported that the proposed road is the shortest and most convenient and that the parties are already allowing carts etc., to pass through these lands and that therefore their objections are untenable.

I agree with the views expressed by the Sub Division Officer and request that the acquisition of the lands may be sanctioned as already recommended, the Assistant Commissioner in charge of the Sagar Sub Division being appointed to perform the functions of the Land Acquisition officer.

All the connected papers accompany.
